Portal-Verlaufsbericht zum Änderungsantrag DET-AM-2026-1008-4172

1 Vorgang und Bericht

Company: Al Safa Horizon Technologies LLC. Application reference: DET-AM-2026-1008-4172. Application type: amendment of management particulars. Report generated by the company administration from the saved application status history on 21 October 2026 at 09:51 GST. The following entries refer to the same application. They are not separate letters determining the legal effect of the amendment.

2 Statushistorie

8 October 2026, 11:24 GST. Submission received. Status: received for processing. The application refers to the notarised amendment and the supporting identification documents. This entry contains no statement that the requested management change had already been completed on 8 October.

13 October 2026, 15:06 GST. Status: under process. Query open: outgoing manager identification record. The completion field is empty. The administration notes in the same case history that updated particulars are expected during the following week.

20 October 2026, 12:42 GST. Status: completed. The administration is notified that updated company particulars may be retrieved. No entry in this status history states that a contract signed in Germany on 14 October had been reviewed for its corporate-law validity.

21 October 2026, 09:44 GST. Updated particulars downloaded. Manager displayed: Yusuf Rashid. Download retained in the corporate records. The saved screenshot bears the same application reference.

3 Weiterleitungshinweis

Lina Farouqi hat diesen Verlaufsbericht am 21. Oktober an Rechtsanwalt Ahrens weitergeleitet. Sie bittet darum, den früheren Eingangsstatus nicht als Abschlussstatus zu bezeichnen. Der Bericht ordnet die tatsächlichen Bearbeitungszeitpunkte; eine rechtliche Beurteilung der Vertretungsbefugnis am Berliner Beurkundungstag ist darin nicht enthalten.
